

My name is Sharon Sutherland and I am a Broker Associate with Gloriod & Associates. I have been a real estate specialist since 1999 specializing in residential real estate, resales, new home sales, and relocations to the Colorado Springs area. I have earned designations as a Certified Residential Specialist (CRS) and a Graduate REALTOR® Institute (GRI).

I grew up in Colorado Springs and have lived here since 1965. With over 30 years of experience in both wholesale and retail sales, I enjoy the thrill of the sale but mostly have a passion for working with people. Growing up, I was involved in my family's land development and custom home construction business. I also owned several gourmet gift shops and a wholesale jewelry business. My husband and I are the present owners of a successful overhead door company.

I graduated with a Bachelor of Arts degree in Foreign Languages from Colorado State University and received an Elementary Education and Reading degree from The University of Colorado. I taught for several years in the Colorado Springs school system and enjoyed working as a Secondary Spanish and English teacher. In addition, I was a highly successful Elementary Reading Specialist and actively participated in Title I school wide budget responsibilities.

Since retiring from teaching in 1999, I have enjoyed helping my real estate clients find the homes of their dreams.

My philosophy is to provide excellent service to my clients in their real estate transactions so that their experience is a positive and enjoyable one. I have a personal commitment to provide specialized care to each client by using my experience, my integrity, my enthusiasm for my job, and my love for people to focus on their real estate needs and to be attentive to the details and goals that are important to make every transaction a successful one!

My husband and I are the proud parents of four children and the proud grandparents of two grandchildren with another one on the way! We love to travel and enjoy taking fun filled family trips together!

I would appreciate the opportunity to assist you with your Colorado Springs real estate needs. Referrals are my biggest compliment and I pride myself on having many happy and satisfied repeat customers.
